English Home Language	Miss T. Kanyon	By the end of this week the Grade 12s should have finished all notes for Act 4 of Hamlet. On 8 April, notes for Act 5 will be sent to them via the WhatsApp group. These need to be completed by the end of next week.	English Home Language	Miss T. Kanyon	On 15 April, the Grade 11s will be sent the notes and worksheets for Act 4 of Macbeth via the WhatsApp group. These need to be completed by the Tuesday 21 April. On Tuesday, the notes for Act 5 of Macbeth will be sent. These need to be completed by Tuesday 28 April.	English Home Language	Ms A. Hicoock / Ms L. Nish	Complete the language paper that was sent via the WhatsApp group. Please email to WhatsApp your answers to Miss Nish or Miss Hicoock so we can mark your answers and give you feedback. Finish reading 'The Mark' and read over pages 275-296.	English Home Language	Ms A. Hicoock / Ms L. Nish	Finish reading OMT and read over the notes on figures of speech (pages 40-43) in red and yellow book.	English Home Language	Ms A. Hicoock / Ms L. Nish	Read the comprehensive extract of page 18 in your language textbook, then answer the questions on page 15. Read over the terminology at the bottom of page 15. Read over how to write a descriptive essay on page 22 and 213.
Afrikaans First Additional Language	Mrs F. Struif / Mrs N. van der Meulen	Tien die einde van hierdie week is ons klaar met die gegiefte Praktiese Moed sêur so om nie die tyd te goen wat ek gestuur het. Die leerders gaan ook n monitorings gegiefte word om dan te begin werk. Volgende week begin ons met die volgende gegiefte.	Afrikaans First Additional Language	Mrs F. Struif / Mrs N. van der Meulen	Ons maak hierdie week met Die aniel-herk. Die leerders moet die definisie en werk doen wat op die link is wat ek ook hulle gegee het. Ons volgende gegiefte gaan spreek van spreek wese.	Afrikaans First Additional Language	Mrs F. Struif	Die leerders is begin met die boek. Die eind 4 hê het ook hulle vertellings van Rifa-1 gesteren om hulle hierdie Vindag moet hulle ook hê. Rifa-1 hê ook die vroeë oor die hofstad. Die hê het ook hulle gegee het. Volgende week lees ons verder.	Afrikaans First Additional Language	Mrs F. Struif	We are doing schoolwork. This week we looked at drama as a subject. I sent a file that I hope they have the data to go to and they must do as much as they can. There are also handouts (handouts) exercises and questions. Please chat to you about the content. In this story it is about a young girl doing something to earn money to afford the art kit (and drama) for a self phone make it relevant to their personal experiences.	Afrikaans First Additional Language	Mrs N. van der Meulen	By the end of this week the learners have read the two folios. Next week they will read the 2 short stories, Deonard, Yulu and Ench Stenches. I must meet 1 last in by part. They must answer the questions at the back of their textbook, pages 103 & 102.

Accounting	Mr M. Pretorius	New section started on the 15/04. Refer to whatsapp group for activities and memos. Read issues is a continuation from Grade 11, regarding the work in relation.	Accounting	Mr M. Pretorius	Refer to whatsapp group. Will be finishing the chapter this week. New memos will be posted, a new practice test question will be posted on the weekend on Friday.	Accounting	Mrs N. Hobson	By the end of this week (Friday 7 April) the Grade 10s must have worked through Chapter 4 (General Journal) and completed Task 18 up to and including Task 18.6 (2 tasks in total). By the end of next week (Friday 24 April), learners will need to have worked through Chapter 7 (VAT) and completed Task 7 up to and including Task 7.3 (3 tasks in total). Additional notes on VAT will be sent through via the WhatsApp group in due course. Next week, we will also commence with Chapter 8 (Salaries and Wages) and the work required will be communicated via the WhatsApp group in due course.	Social Science	Mr K. Fichardt (History) / Mr B. Dood (Geography)	History: please check the WhatsApp group for more information. Boys must continue with activities in the textbook, for those who have access to YouTube please watch the links that were sent out. Notes and summaries must be viewed and answered at the end of each term. Recap the 1st term work!	Social Science	Mr B. Dood (History) / Mr J. van der Meulen (Geography)	The grade 8 Geography class is now using a WhatsApp group where information (work) is being communicated twice a week. This work is sent using powerpoint, which is upload on the WhatsApp group. If you are not on the WhatsApp group, please contact me at 082803282 or jrvandermeulen@grameenecollege.co.za
Business Studies	Mrs N. Hobson	In addition to the original work provided by the end of this week (Friday 7 April) the Grade 12s must have worked through the notes on Team Performance and Conflict Management and completed the question bank sent through on this topic via the WhatsApp group. Notes and a question bank on the next topic (Business Sector) will be sent through via the WhatsApp group in due course, which will need to be completed by the end of next week (Friday 24 April).	Business Studies	Mrs N. Hobson	By the end of this week (Friday 7 April) the Grade 10s must have worked through all work provided to date (Creative Thinking and Problem-Solving theory and question bank, Stress and Crisis Management theory and question bank, started with the Marketing function theory and question bank, the Term 2 formal assessment and the Term 1 revision test). Notes on the Marketing function will be sent through via the WhatsApp group in due course. In the meantime, the Grade 10s must use their textbook for the topic. The question bank on the Marketing function will need to be completed by the end of next week (Friday 24 April).	Business Studies	Mr G. Ngodwana	Keep checking WhatsApp Groups & School Website	Technology	Mr J. van der Meulen	Work on the projects will only resume when we back at school.	Technology	Mr J. van der Meulen	Work on the projects will only resume when we back at school.
C.A.T.	Mrs A. Lubbe	Not applicable.	C.A.T.	Mrs A. Lubbe	Managing email Pages 82-88 Activity 3 Social Issues Pages 87-89 Write a list of terms and definitions. Questions on page 80.	C.A.T.	Mrs A. Lubbe	* Email Friends, Pages 94-105 Activity 1: Create a list of terms and their definitions. These pages are quite light to read. * Other e-communications Pages 108-109 - this is very relevant to today! Also give a list of e-communication apps that are currently in use in South Africa (even if you are not using them personally) for each ** Name them ** Give the category (from these pages) they would fall under. ** A scenario / example of how it is used ** The pros (advantages) of it ** The cons (disadvantages) of it * Questions on page 108 - covers the entire chapter * Page 105 - make a list of the terms - and in your own words describe the component and where it is found on the screen.	EMS	Mrs N. Hobson / Mr G. Ngodwana	By the end of this week (Friday 7 April) the Grade 10s must have worked through all work provided to date (Theory Chapter 3 Risk Theory and Chapter 3 sections of the Economy in the IMF textbook, as well as the assignment). Confirmation will be provided regarding how and when the assignment will be submitted. The assignment does need to be typed and submitted, but should learners not have access to a computer during lockdown, please complete the assignment in handwritten form and when you are back at school you can type and print it. Next week the Grade 10s will resume with Accounting where we will be starting with Credit Transactions (Creditors). Notes and exercises will be sent via the WhatsApp group in due course.	EMS	Mr M. Pretorius	Continues working through Chapter 8 and 8.6. Research to complete all missing in each chapter.
Geography	Mr B. Mankoske / Mr G. van der Meulen	Copy on with Settlement work as per WhatsApp group and website. Stay in contact and ask questions. If you want getting the messages late we know. Also practice homework where possible. Keep doing activities, and also look at links on school website. We will also go through questions in past papers via WhatsApp group.	Geography	Mr J. van der Meulen	The grade 10 Geography class is using a WhatsApp group to communicate the information. Every evening a powerpoint is uploaded on the group with work for learners to complete the following day. The following day the memo for activities is sent out. Learners do not have access to WhatsApp. I can also email the powerpoint lessons to learners. If you need to contact Mr van der Meulen please do so on 082803282 or jrvandermeulen@grameenecollege.co.za	Geography	Mr J. van der Meulen	The grade 10 Geography class is using a WhatsApp group to communicate the information. History	Mr A. Swift	By the end of this week (Friday 7th), boys must have finished making notes on all the material pertaining to the essay External Responses to Apartheid. All of the material is to be found from pg 245 - 253. As per the messages on the WhatsApp group this material includes up to the paragraph of the essay. Boys must learn and memorise the content detail for these board questions must be found on these as well. Remember to have a look at the Vile Africa study Guide like that was sent out as well.	History	Mr K. Fichardt	Grade 10s must continue working on the summarizing of notes as well as having watched the videos that have been sent out on the WhatsApp group. More info on the WhatsApp group will be given. Essays and source based questions must be viewed using the electronic website. Memos can be found on these as well. Remember to have a look at the Vile Africa study Guide like that was sent out as well.	History	Mr J. Rennie	Keep checking WhatsApp Groups & School Website	Creative Arts	Mr S. Appollis / Mr C. Janse van Rensburg	Keep checking WhatsApp Groups & School Website	Creative Arts	Ms C. Coetzee / Mr C. Janse van Rensburg	Now that we have finished the extended lockdown the grade 8s can expect a whatsapp group to be made this week for the music section of creative arts. I have made and edited several videos which will release on the whatsapp group. Youtube, as well as on the school website weekly, starting next week. I completed understanding the difficulty of working from home with a subject like music but we are simply discussing musical concepts and some music theory. I feel that there is enough support from the whatsapp group. I will send weekly zoom meetings with those who have an questions on the video's I have made.
Life Sciences	Mr B. Mankoske	We have completed genetics and have sent resources for the next section of the syllabus: The Nervous System. These resources include Powerpoint presentations, video trials and worksheets. The next part of the syllabus we will look at is The Endocrine System.	Life Sciences	Mr B. Mankoske	I have continued to send resource links to the current syllabus topics. These include worksheets, notes and video links. The boys have completed Photosynthesis, and are currently busy with Animal Nutrition. We will move on to the next topic, the Immune System, as soon as I am able sending additional revision resources for Photosynthesis and Nutrition as I receive them.	Life Sciences	Ms D. Physical Sciences	Dr C. Kelly	We aim to have completed the 'Work, Energy and Power' section by the end of this week. All communication is happening via the WhatsApp group. The following have been provided: 1) Class notes in pdf format. 2) Several other summary documents to provide additional explanation. 3) Practice questions with model answers. 4) Links to relevant TV schedules, Youtube channels, and other platforms that are offering lessons. 5) Links to CAPS-aligned video lessons on this topic. The WhatsApp group remains the key resource via which the boys can discuss problems, ask questions etc., and I would encourage them to utilise this resource as extensively as is necessary. Should parents wish to contact me directly, please email me using c.kelly@grameenecollege.co.za. All best wishes for the remainder of lock-down!	Physical Sciences	Dr C.
