### Message from the Deputy Headmaster

The Annual Graeme College Academic Dinner was graced by an extraordinary speech from Professor Warren Potts, a man whose achievements across academia, sport, and community engagement make him the perfect role model for our learners. His address was not just inspiring—it was a masterclass in balance, dedication, and lifelong learning.

Professor Potts' career is nothing short of remarkable. With a PhD in Ichthyology (2004), his academic contributions have had global significance. His research journey includes:

- 132 journal publications, with 6 more in review
- Contributions to 4 books
- Supervision of 44 honours, 31 master's, and 21 PhD students

Beyond academia, he has made his mark in sport. He captained the EP men's hockey team for 6 years, part of the South African squad for 3 years, and competed for South Africa in fishing for 10 years.

Despite his packed schedule, Professor Potts has coached junior hockey at Graeme College, demonstrating his commitment to giving back. His involvement in outreach programs earned him the Vice Chancellor's Community Engagement Award in 2017.

He shared his insights on managing multiple passions while excelling in all of them, making him the ideal speaker for Graemians striving to succeed academically, athletically, and personally.

His speech left the audience inspired, proving that great people are not just those who achieve, but those who give back, inspire, and lead by example.

We extend our deepest gratitude to Professor Potts for his time, wisdom, and the incredible role model he represents for Graeme College learners. His legacy is one of excellence, dedication, and the perfect balance in life.

Professor Potts spoke about his life and highlighted the importance of being passionate about what one does. He spoke of his fascinating life and how sometimes one has to look for opportunities. He is clearly a dedicated scientist, but also a humanitarian, a fisherman, a father and a genuinely caring person.

He gave the following pointers to the top Graemians:

- Focus on your short term goals.
- Exercise...Keep fit!
- Follow your passion.
- Spend time outdoors.
- Avoid social media.
- Open doors for yourself.

He reminded the boys that they are at a top school and that they must make the most of every opportunity. What an honour to have him address our Graeme College family.

Mr G van Molendorff

## Academics

### Academic Dinner 2025

On Thursday, 20 February the annual Academic Dinner was held in the Graemian Centre. The Academic Dinner celebrates the top four achievers from the previous year.

The theme for this year's dinner was the world of books. The theme was chosen because of its link to the academic theme. The greatest thing that one can cultivate is a thirst for knowledge. It is very exciting to experience a group of young people who are keen to get to know their world and all of its component parts. With everyone having such easy access to artificial intelligence, many people have stopped trying to think for themselves. The personal touches like a heart-felt letter may soon disappear, because we fail to express ourselves. Our connections to other people are of paramount importance. By being uniquely human, we ought never to forget that our compassion and ability to understand or show empathy for other people make us, not only who we are, but also gives us goals for whom we might like to be in the future. As you grow your knowledge, you are also capable of growing your character.

The miniature books that adorned the tables were a reminder that our understanding of other people often comes through reading. The books were filled with blank paper, because our young Graemians have their whole lives to tell their stories. These young men need to be encouraged to tell an honest story, as they will be the hero of the tales. They need to surround themselves with people who compliment what they are trying to achieve. The key messages included:

- Always try your best.
- Show compassion and understanding.
- Always grow your knowledge.

To illustrate this point some quotes from books were chosen. These included :

“You never really understand a person until you consider things from his point of view...Until you climb inside of his skin and walk around in it.”

~ “To Kill a Mockingbird” by Harper Lee

“A person's a person no matter how small.”

~ Dr Seuss

“It's our choices, Harry, that show what we truly are, far more than our abilities.”

~ “Harry Potter and the Chamber of Secrets” by J.K. Rowling  
“It isn’t the big troubles in life that require character. Anybody can rise to a crisis and face a crushing tragedy with courage, but to meet the petty hazards of the day with a laugh - I really think that requires spirit.”  
~ “Daddy-Long-Legs” by Jean Webster  
“Can is not the same as must. But if you must and you can, then there’s no excuse.”  
~ “The Amber Spyglass” by Philip Pullman

These are just a sample of the quotes used that illustrate the complexity of human nature. We all have the capacity to grow ourselves. This gift is what the academic dinner celebrates.  
It was a truly wonderful evening, we need to convey gratitude to: Professor Potts, Mr and Mrs Watson, Dr Shaw and Mr Appollis for their help in setting up, the Academic Portfolio Committee and the other volunteers and waiters for all their assistance, Capitol catering for the delicious meal, and finally, the top four in each grade and your amazing parents who show you such support. It was a fantastic way to start the new academic year.  
Ms T Kenyon

**A huge thank you to Andrew and Wendy Cock for their generous donation of Agapanthus plants, which have added a beautiful touch to our campus. Their thoughtful contribution has truly enhanced our environment. We are so grateful for their support—Graeme parents truly rock! Your kindness helps make our school an even more wonderful place for everyone.**

**The Graeme Cricket Club is incredibly grateful to Mr Aubrey Tidbury for his generous contribution, which has helped enhance our world-class facilities. His support adds tremendous value to our club and community. We are truly fortunate to be part of such a remarkable institution, made even more special by the involvement of dedicated and passionate parents. Thank you, Mr Tidbury, for helping us continue to thrive!**

**Silly Hat Day at the preschool was an absolute blast! The kids had a great time showing off their quirky, fun, and colorful hats. From oversized top hats to funny animal ears, each child brought their own unique flair to the day. The laughter was contagious as they proudly wore their creative headpieces, sharing stories and making silly faces. It was a day filled with joy, laughter, and a whole lot of imagination, where even the teachers joined in the fun, sporting their own goofy hats! Pictured here are the Grade 00s and the Grade Rs.**

## Toes in!

In our Grade 4ND library lesson, before we began checking in and out books, we gathered in a circle to play a simple and fun icebreaker game called "Toes In." Each learner had the chance to ask a question or make a statement, and their classmates responded by either putting their "toes in" (if they agreed or felt the statement applied to them) or "toes out" (if they disagreed or the statement didn't apply). For example, questions included, "Who has dogs?" "Who doesn't like strawberry ice cream?" and "Who walks to school?" This activity not only gave everyone the opportunity to share something about themselves but also helped us get to know each other a little better in a relaxed and enjoyable way. It was a great way to break the ice and create a welcoming atmosphere. The activity set a positive tone for the rest of the lesson, encouraging communication and connection among the class while also making the library experience more engaging.

**Our Foundation Phase learners absolutely love spending their break time in the library—it's their safe space where they can play and unwind. They truly enjoy every moment in this cozy, welcoming environment. Happy faces all around!!**

# Foundation Phase Library

Both the Foundation Phase and the Main library have received some wonderful book donations these past few days. It is greatly appreciated. We accept donations of books in good condition and published from 2000 onwards. Thank you!

## Grade 7s

The Grade 7 Geography class are currently working on creating a detailed sketch map of Graeme College as part of their term assessment. This project will help them develop their skills in map-making, spatial awareness, and understanding of geographical features. Learners are expected to accurately represent key landmarks, buildings, and natural features of the school campus, applying their knowledge of scale, orientation and mapping conventions.

## Community Engagement

At Graeme College, we take our community engagement seriously, recognising our responsibility to support those in need within our local community. Giving back is at the heart of who we are, and we are committed to making a meaningful impact. We invite you to join us in supporting our various causes, as every contribution—big or small—helps create a better future for those who need it most. Together, we can make a difference. Please send in donations for the attention of Ms White.

# DONATION DRIVE

This term, we are collecting various items for community outreach—an immediate and tangible way to make a difference.

- Dog and cat food will be donated to the SPCA.

The recipient of KILIMANI, the leopard, is Sine Cishe from Grade 9. This award is in recognition of his exceptional performance this past weekend against Selborne. With the team's score at 88-9, Sine came in and displayed remarkable composure, helping the team push their total to 117 by the end of the innings. His contribution was invaluable, and his perseverance under pressure truly stood out!

## Rotary RYLA Summit

The Rotary Club of Grahamstown has sponsored two learners from their club to attend the Rotary Youth Leadership Summit.

Jayden Brits has been selected to attend the leadership summit as one of only two selected from this club.

The Leadership Summit boasts attendees from all over the Rotary District which would see 60 learners from a wide variety of schools, backgrounds, towns and cities!

Ms White put forward Jayden as a Grade 11 learner to attend. Jayden has been an active member of Community Outreach for two years and has demonstrated all the qualities that RYLA would further develop.

Ms White herself, attended RYLA as a school girl. And now as a Rotarian, is thrilled to be able to see the program continue.

Mrs Helen McCallum from the Rotary Club of Grahamstown approached Ms White to nominate a Grade 11 Graemian.

Jayden is very excited to be attending the Summit during March.

# First Aid

Here are some photos of our first aid teams getting ready for the upcoming season. They're always prepping, ensuring they're equipped and ready to assist whenever needed. Their dedication to being on hand and available to help is truly invaluable!

**Congratulations to our talented high jumper, Inam Masoma, for qualifying and being selected to compete at the prestigious Eastern Cape Provincial Championships! The event will take place in Komani from 13 to 15 March, and we are incredibly proud of Inam's dedication and hard work in reaching this milestone.**

**This is his third consecutive time qualifying for Provincial Champs. We look forward to witnessing how he will perform this time around.**

**Best of luck as you represent us Inam at this exciting competition – we are cheering you on every step of the way!**

**Our senior athletes took part in the Makhanda High Schools athletics last week. Eight of them performed very well and thereby qualified to compete at the Sarah Baartman District Championships held in Gqeberha on Friday, 14 February. Some of our athletes made a very good account of themselves in this meeting. They received 5 medals (3 golds and 1 silver and 1 bronze).**

**Ayamila Bill received 2 gold medals in both his events, U19 shot put and discus throws.**

**Reuben Dollery received a gold medal in the U19 Javelin.**

**Inam Masoma received a silver medal in the U17 high jump.**

**Ahlume Gxamesi received a bronze medal in the U17 discus throw.**

It's nearly time! 2161 matches, 491 schools later... only 8 teams are left in South Africa. Watch this space... Official Launch on 21 Feb. Finals from 12-15 March in Pretoria. Graeme College is attending the Finals for the THIRD time.

Right: With some senior players headed to tennis tournaments today, we get the opportunity to hand new 1st XI caps to young cricketers.

Debut for the 1st XI today - Sibabalwe Deliwe and Ibenathi Kondile.

**Our little leopards had a fantastic time playing cricket today and truly had a ball! A big thank you to Mr Lensley for organising these matches—where the love and passion for cricket begins and grows. His dedication makes it possible for our young players to discover the joy of the game. And oh boy, do they love cricket!**

**Josh Potts represented the EC Aloes team this past weekend in Bloemfontein at the Synergy Cup. Josh played against the EC Elephants, Free State and the North West in singles, doubles and mixed doubles. The EC Aloes came second overall, after the Free State. Josh played some incredible tennis over the tournament. Well done Josh.**

**Below: Well done to Jesse McConnachie, Kits McConnachie and Ryan Stobbs who participated in the Synergy Cup, playing for the EC Aloes team in Bloemfontein over the past weekend.**

**The EC Aloes won the cup!**

**The tournament was held between the two Eastern Cape teams, the Freestate and the Northwest.**

**Well done to these boys on a well deserved win.**

## Tennis

The Graeme U13A boys tennis team had a highly competitive fixture against DSG U13A. It was a series of intense and closely contested matches, with the boys showcasing impressive skill and determination. Ultimately, Graeme emerged victorious, winning 68-49 in games against a very strong group of girls. Well done to the team for their excellent performance!

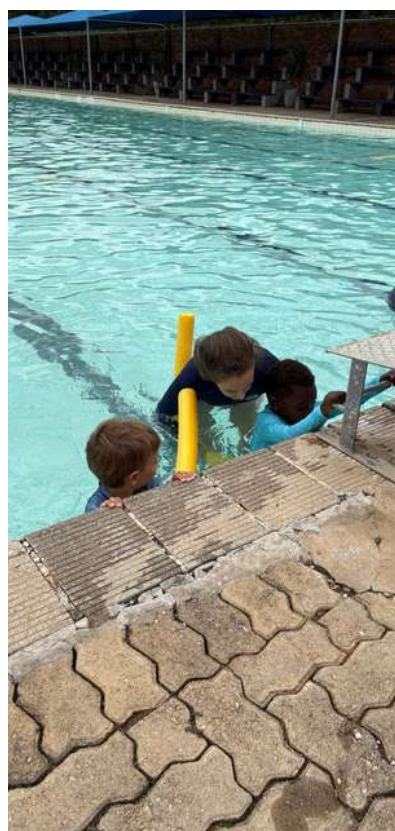

In another exciting encounter, the Graeme U13B team faced off against DSG U13B. It was a hard-fought match, with both sides displaying great effort. Graeme came out on top, securing a 49-42 win in games. Congratulations to the U13B team on their well-deserved victory!

## Swimming

Again, we can't say it enough... we have the BEST parents within in our GC family!

Pictured are the Grade 00 and Grade R classes are diving into their very first swimming lessons at the GC pool, and it's clear they're having a fantastic time!

A huge thank you to all the parents who have helped make these sessions possible – your support is greatly appreciated and makes all the difference!

Benjamin Fox recently participated in the Albany swimming trials, where he stood out as the only boy from Graeme College to be selected for the Albany U11 boys squad. He is set to compete in his first inter-district gala, which will take place at Union High School in Graaff-Reinet on the 5th of March. This marks an exciting milestone in Benjamin's swimming career, and he is eager to represent his school and district at the event.

Representing Summerstrand Nippers, Benjamin Fox had a standout performance at the Lifesaving South Africa Eastern Cape Surf Championships held in Jeffrey's Bay this past weekend. He earned an impressive 3 silver medals, showcasing his exceptional skill and determination in the competition. With his sights set on even greater success, Benjamin is now gearing up to compete at the National Championships in May, where he will aim to continue his winning streak and further elevate his profile in the sport.

# Water polo

**A heartfelt thank you! Sponsorship, tour kit and dedicated parents!!**

**We would like to say thank you to Mr and Mrs Pieterse who sponsored the tour kit for the boys. The tour kit consisted of parkas, new speedos and a backpack. Mr and Mrs Pieterse were unfortunately busy when we did the kit handover in last Monday's assembly, but we managed to catch up with them when they came to support the boys in Knysna.**

**We would like to also say thank you to all parents who supported the boys, those who travelled through to Knysna and those who supported from home. Without the dedication from the parents, tours like these wouldn't be possible.**

**Four days of Water polo:**

**The boys started their Saturday with a trip to Buffelsbaai, where they enjoyed most of the morning riding the waves and playing some touch rugby. The tripped wrap up with a delicious ice-cream from the local cafe. The boys then played two matches on Saturday. 14h25 against Pinelands. The boys played well, and only lost that game 7 - 3.**

**The boys then rested and regrouped for their tough opposition Selborne College which was scheduled for 16h35. The boys once again displayed resilience, grit and determination despite coming up against tough opposition. They unfortunately lost that game 12 - 1. Mr Swift was overly impressed with the boys and their never say die attitude in both games. After a long day at the beach and two tough games, the boys retired for the night at the accommodation where Mr Rowe lit a fire and braaied boerewors for the boys.**

**Sunday morning started off early with a 08h40 game against Fairmont. The boys once again displayed attitudes worthy of champions by not giving up and pushing through despite feeling fatigued from the tour. The final result of the tournament was a 15 - 2 loss.**

**Even though the results of the six matches over the four days were not winning results, Mr Swift and Mr Rowe could see that the boys enjoyed the tournament and grew as a team and as individuals throughout the four days.**

One of the highlights of the school’s rugby calendar is Rugby Day. Traditionally this one-day festival is held on the final Saturday of the first term. From humble beginnings in 1998 when 4 schools participated, it has grown into the most prestigious day of rugby in the Eastern Cape featuring no less than 16 schools and over 1200 players. Rugby Day is an opportunity for the whole Graeme family and community to come together and a chance for players to enjoy the special camaraderie and fellowship that is evident in a sporting contest when played in the right spirit. # Founders 2025

Graeme College will celebrate its 152nd anniversary this year. More significantly, 2025 marks the 50th anniversary of the relocation to its current campus, which began in 1975—a truly special milestone. To add to the excitement, the 1975 matric class, the first cohort to graduate from the new campus, will also be celebrating their 50th reunion. It's shaping up to be a year full of incredible celebrations and milestones!

# Teen App

We are delighted to announce that Graeme College has purchased a full membership of the VIVE TEEN WELLNESS application, which will enable ALL our learners to have full access to the app. It is something that we have thoroughly investigated, and feel that this is a massive step in the right direction for the wellbeing of our all learners. We are excited that every learner will have safe space to learn more about mental wellness, and reach out for help if needed, in a number of ways.

VIVE TEEN WELLNESS is an Artificial Intelligence enabled digital platform and smartphone application that was built in South Africa. The first version was launched in 2023, with several schools presently using the full suite of functionality. The schools and learners that have been using the platform in recent months have provided us with very valuable feedback that assisted us in planning the next phase of the roll-out.

During 2022 VIVE TEENS was selected as a winner in the UpLink - World Economic Forum (WEF) Youth Mental Health Challenge where it has competed with over 120 other mental health companies from across the globe. The platform launched early in 2024 internationally. Graeme College subscribed to the app in 2023 and we encourage our learners to continue using the app or sign up to find out more.
